

PRESS RELEASE/ Mexico City, November 10, 2008. CABO HALF MARATHON

The Cabo San Lucas Finisterra Arch will serve as witness of the scenic course of the 2009 Cabo Half Marathon edition that will be carry out on Sunday January 25 in Cabo San Lucas, Baja California Sur.

The event will feature two modes: the Half Marathon, which will be limited to 2000 runners, and the 5K Fun Run, which will be limited to 1000 participants, so runners or their companions may choose between any of the two distances.

The Cabo Half Marathon will enable the participants to enjoy a weekend of great Tourist and sport activity, and that's why it was scheduled to take place on Sunday morning, so all runners and their companions can enjoy all the activities that can be done in Cabo.

In addition to the invitation to high-performance athletes, the event will have a special approach to domestic and interntionalrecreacional runners.

Due to the geographic location of Los Cabos, is expected that the half of the total runners will be foreigners, mainly from the United States, so this Half Marathon will be the first road race in Mexico that will have International participation.

The competition has the endorsement of the Mexican Federation of Athletism and the Association of International Marathons and Distance Races (AIMS).

The date of the race will be decided depending on the weather and the tourist season in Los Cabos, which has an average temperature of 57 F degrees and relative humidity less than 60 percent at the time of the boot competitions, which will allow to be run with ideal climatic conditions for a half marathon.

The intent of the organizers is that the Cabo Half Marathon become a real luxury event for the participating runners.

The celebration will begin on Saturday morning with the Marathon Expo which will take place at Puerto Paraiso Mall, at night the Pasta Dinner will be carried out at Casa Dorada Hotel, which has a splendid view of the Medano beach, and the celebration of the "post Race" party will take place at the internationally known Cabo Wabo in Cabo San Lucas.

The organizers have negotiated special discounts for runners in some hotels in Los Cabos, in addition to activities such as kayaking, snorkeling, scuba diving, rock climbing, rappelling, cruises and very Special tours to see whales, taking advantage that is the time of the year in which more whales were sighted in Los Cabos coast.
